India's mesmerising cultural heritage never fails to amaze. Some of us try to capture its beauty through the camera, while others sketch it on paper or on a tablet.

Sahapedia is inviting all the sketching enthusiasts out there to submit their artwork to the Sketch Out Heritage Contest. Grab a chance to have your work featured on our Insta handle and win exciting prizes.

*Disclaimer: Participants hold the copyright on their submitted artwork. However, the right to republish will rest with Sahapedia.*
