<u>Sahapedia Film Fellowship 2020</u>

<u>Annexure I</u>

<u>Selection Criteria for Sahapedia Film Fellowship</u>

- Strength and relevance of the proposed topic or subject of the film.

- Strength and relevance of past work submitted. Aspects of both technical competence as well as narrative storytelling will be considered equally.

- Candidates must outline their motivations to make the film, their unique perspective as well as experience that they bring to the project.

- An outline of the use of cinematic language or any particular artistic approach that informs the storytelling.

- Coherence of the entire proposal and area of study.
- Subject of the research and its relevance.
